With reference to correspondence ending with General Secretary's letter No L 3566/M1 3-33-14 dated 21-11-1933 in the matter of shifting the shandy in the Hoskote town to another site at the place, I have the honour to state that the Municipal Council, Hoskote have resolved to continue the shandy in its present place and the newly acquired land has been proposed to be disposed of as building sites

The Municipal President report that there is considerable opposition not only from some of the Municipal Councillors but also from the traders in the matter of shifting the shandy as there are no facilities for water and shade at the new place Besides, construction of stalls in the new shandy ground is estimated to cost Rs 6000/- in addition to a further sum of Rs 6000/- required for putting up compound walls and side stalls The resources of the Municipality being slender, the majority of the Municipal Councillors are said to be not in favour of undertaking such costly works

The Amildar-President report that the maidan where shandy is held at present is inconvenient to the people and that it may be improved at a small cost while the Municipality will have to spend large amounts to create similar facilities in the new plot He is further of opinion that the Municipality will be profitted if the newly acquired shandy ground is disposed of after demarcation into building sites as resolved by the Municipal Council

The Sub Division[illegible]er, Doddaballapur has reported that the local feeling is absolutely against having the shandy in the newly

acquired land and is of opinion that it may fetch high bids if the plot is divided into sites and sold, and recommends that sanction may be accorded to its disposal accordingly

In the circumstances reported above, I request you to kindly obtain anction of Government to the resolution of the Municipal Council for the disposal of the newly acquired plot of land into building sites On receipt of orders nece sary action will be taken for the formation of the land into suitable sites in consultation with the sanitary department

The favour of early orders is requested in the matter

The entire file of records ending with Doddballapur Sub Division officer's report No A1-P B 199/34-35 dated 1-3-35 is herein enclosed for reference and return
